

University Entrance Committee for Overseas Chinese Students

Enrollment requirements for Overseas Chinese Students

You are entitled to advanced study in Taiwan dedicated for overseas Chinese students as long as you are confirmed as eligible according to the following two criteria:

- You were born and stayed abroad until the present, or have remained abroad for the last 6 consecutive years (8 years is required for applying to study at the Medical, Dental or Chinese Medicine Departments of University)
- Owns a certificate of permanent or long-term residence at an overseas residence.

Those conforming to the ID qualification rules of “Measures for Foreign Students Studying in Taiwan” may also come for advanced study in Taiwan as a “foreign student”.

*Those with both “Overseas Chinese Student” and “Foreign Student” qualifications may only choose one ID for the enrollment.
